

Non-Discrimination Statement

At MADRES, we are committed to fostering an inclusive, welcoming, and equitable environment for all individuals. We do not discriminate based on race, color, religion, national origin, gender, gender identity, sexual orientation, age, disability, marital status, social status, or any other characteristic protected by law. We ensure that our services, programs, and employment opportunities are accessible to everyone, with particular attention to individuals facing social, economic, or linguistic barriers.

This policy was adopted by our Board of Directors in April 2020 and is publicly available on our website at madresdecasinord.org. Our commitment is to provide culturally responsive support that empowers individuals and families, creating spaces where everyone feels valued, respected, and capable of success.
